CURRENT MONTHLY EXPENSES

Below, list the average monthly expenses for your household. If you are married, and you and your spouse have separate households, add your spouse’s expenses to the right of your expenses. Just draw a vertical line between your expenses and their expenses. Label your expenses and their expenses. If you and your spouse live together, just total your expenses and list them together.

To get an idea of the typical expenses for different household sizes go to this website:

http://livingwage.mit.edu/

Dependents, such as children:

***IMPORTANT***

The information on the following pages (Statement of Financial Affairs) is extremely important. You are required by federal law to provide this information. If something does not apply simply put a “N/A” in the box. However, we need all of the requested information. This will be one of the first places we look when you turn in the paperwork to ensure it has been fully and completely filled out.
